# FESTIVAL OF BANNERS '14

theme: **HOME GROWN**

## about

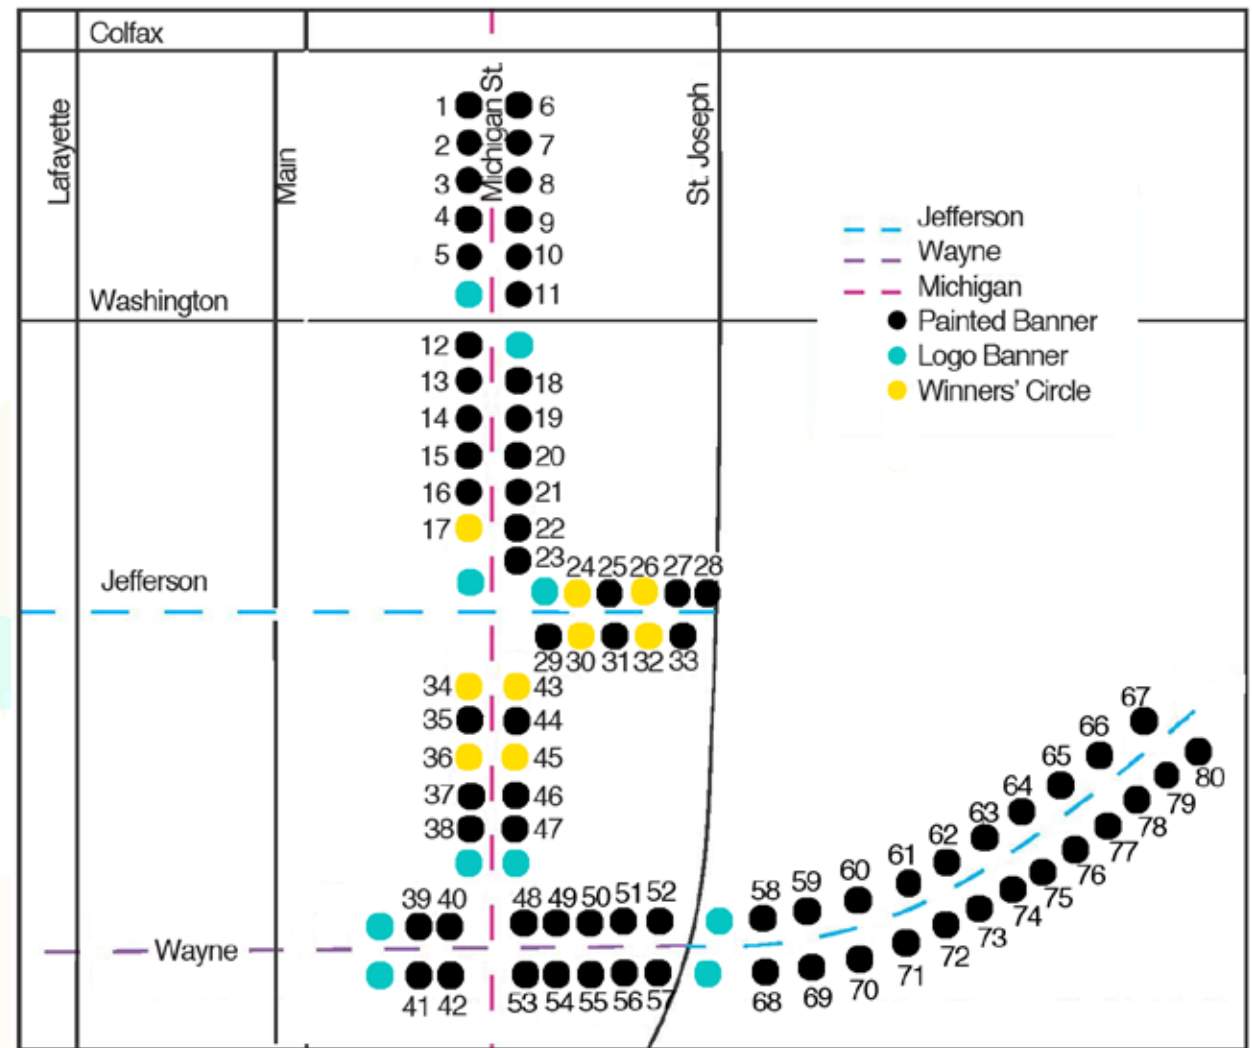

Festival of Banners 2014 is presented by the South Bend Museum of Art in association with Downtown South Bend and the City of South Bend. Now in its eighth year, the program invites the community to celebrate the visual arts, encouraging participation from all ages and backgrounds.

Each spring, SBMA invites the community to design a banner that celebrates the arts. This year, the museum received over 400 entries and selected 80 designs to decorate our city. Each banner represents a unique interpretation of this year's theme, **HomeGrown**. Artists were asked to think about what it means to be locally "grown" and then illustrate it through color, shape, and line. The banner designs are on display from August 4, 2014 through October 17, 2014 and are located on Wayne, Jefferson, and Michigan streets in Downtown South Bend.

This community focused project is brought to you by the South Bend Museum of Art with support from patrons Jerry Thoma and Meg Auth. Special thanks to the City of South Bend and Downtown South Bend, Inc. for partnering and helping to facilitate this public art project.
